Introduction
Research on organizational innovation continues to be popular in academic circles. Wolfe (1994) reported that during the five years preceding his study, approximately 350 dissertations and 1300 journal articles were written on the topic. Despite their efforts, however, researchers still cannot identify with certainty the causes and effects of organizational innovations. Theories of organizational structure and innovation ... -
Types of Change . By Justin L. Bennett (TNU 2008).
Introduction
Change management is a broad term and encompasses many systems and processes. Although there are many choices in change management our research indicated several existing similarities and concepts.
